

## Sergey 2nd in stage 2

Tuesday, 08 January 2008

Sergey Kudentsov sprinted to the 2nd place in stage number two of the Tour of Malaysia, behind Malaysian Anuar Manan. Fuyu did get a 6th after pulling the sprint for Sergey.

The Trek - Marco Polo Team did most of the work in this stage, to protect Fuyu Li's leaders' jersey and succeeded in this.

With a 1st and 2nd place in the first two stages and the leaders' jersey in the team, the guys are having a dream-start!
